

Have you informed your
family members & caregivers
of your participation in the
**RUSH Minority Aging Research Study
Organ Donation Program?**

I AM AN ORGAN DONOR

What do I tell my family?

Say to your family:

- I am a research volunteer with the Minority Aging Research Study with Rush University Medical Center;
- I have been a participant for ___ year(s);
- I joined the study because....;
- I am enrolled or am thinking about enrolling into the organ donation program and the reason(s) why I joined are...
- Here are my final arrangement plan(s) and I trust you to carry-out my final wishes because....

What should my family to do at the time of passing?

Step 1: **IMMEDIATELY CALL 1 (866) 761-7810**

(regardless of the time of day or night).

- Inform the operator that your loved one is a participant with the Minority Aging Research Study organ donation program.

Step 2: Call the **funeral home** that was pre-identified by the participant. The funeral home will provide the transportation of the participant to Rush.s

Will my family be charged for the organ donation to Rush?

The Rush Minority Aging Research Study will pay only the transportation cost(s). Transportation cost(s) may include delivery to Rush University Medical Center pathology department and to final destination.

What happens if I move or change my contact information?

In the event of any major life changes such as address change, hospitalizations, change in your emergency contacts, etc. call Rush Minority Aging Research Study at **(312) 942-8753**
